- 4 – Bids will only be accepted from registered bidders who are in possession of a "bidding number".

C. Charges & Settlements

1 – The sale is conducted on a "buyers beware" principle with no guarantees on any purchase. Each lot becomes the property of the highest bidder at the fall of the auctioneer's hammer; such purchaser shall assume the responsibility for all cost and expenses related to the care, custody and control of such horse. Any purchaser failing to comply with this condition will forfeit their deposit and have to make full payment of the purchase price to EAHS.

2 – At the completion of each sale, the purchaser shall forthwith complete and sign the "Acknowledgement of Purchase" form.

3 – Where a purchaser wishes to export a lot out of Emirates with EAHS, he must indicate immediately after the purchase to EAHS in order for EAHS to take samples from the said lot.

4 – Full payment of the purchase price and all keep charges shall be made to EAHS within 5 days of the sale. The EAHS shall retain each horse's passport until full payment is received. If a purchaser fails to make

full payment by this time, such horse will revert to the property of the original owner and the intended purchaser's deposit will be forfeit and the full payment of the purchase price shall be made to EAHS.

5 - For horses that do not require export testing, horses shall be removed from EAHS stable on the day following the show at the latest. EAHS will charge AED 100 per day (excluding any veterinarian intervention) for horses stabled at EAHS stables. This charge will be applied for each horse not collected on the day following the show.

6 - Horses, that require testing for export, shall leave the sales premise within 14 days following the show at the latest. The keep charge of AED 100 per day (excluding any veterinarian intervention) will be applied after the 14 days irrespective of its analytical or vaccination status. During the whole period the horse is fully under the responsibility of the buyer.

With reference to the exportation procedures, EAHS will supply the buyer with the test results (test at buyer's expense) within the 14 days and coordinate with the ministry regarding the procedures of export and will do the necessary applications and forms. Transportation and shipment is the responsibility of the purchaser.

D – Responsibilities

1 - Purchasers are responsible for the removal, transportation and where appropriate, exportation (and all associated costs) of his horse/s according to rules of EAHS and UAE. 2 – It is the responsibility of the vendor to ensure that all horses offered for sale have been vaccinated. Any horse that is deemed upon inspection on sale day not to have its vaccination up to date will not be permitted to enter the sale ring area. 3 - In the case of any dispute related to any matter

concerning this sale the decision of the EAHS Auction Committee shall be final and binding on all the parties. Data provided in the catalogue is generally accurate but occasionally errors occur as a result of incorrect data submission, processing errors and other causes.
